

Gamma Eta Meeting

Location: Lacy Elementary School, Upper Playground

Date: October 17, 2020

Meeting began at 10:09 a.m. by Tiffany Long

Attendance

Anna Christian Allen, Jennifer Cates, Tiffany Long, Amanda Morton, Serena Pearce, Laura Woods

Business

1. Discussion began regarding ways to meet during COVID-19 restrictions. Virtual meetings seem more probable and feasible, especially as the weather gets colder. Laura suggested an ugly holiday sweater theme for the December meeting. Everyone present liked this idea.
2. There was discussion regarding the possibility of merging our chapter with Gamma Theta.
3. Agreed to invite this same chapter (Gamma Theta) to our virtual December meeting as a way to start to get to know them.

Program

1. Jennifer presented a program on country singer Dolly Parton. Dolly has been named an honorary member of DKG International for her contributions to literacy through her non profit organization, Imagination Library. Jennifer suggested having a Dolly Parton themed hoe down at her Hillsborough farm to raise money for this charity and/or other local charities whose focus is reading. After reading and sharing some famous Dolly quotes, all members present brainstormed ways to make such an event a reality.
2. Fellowship and games followed with Jennifer leading a round or two of Scattergories with DKG prizes given out by Tiffany and Tiffany sharing a get to know you game question game with [M&Ms](#). Members agreed that this game might work well in the classroom.

Meeting adjourned at 11:57 a.m.

Next meeting : December 8 2020 (virtual)
